

BAND NEWS 10-25

On behalf of the entire staff, I want to congratulate each and every student for an amazing marching season. From the first day of summer band, we have witnessed a special group of students and parents who make up the Mighty Hawk Band. Your dedication and professionalism have made all of us very proud to be your teachers. As I mentioned to you at the start of this season, the journey and the process is what you will remember and treasure, not the competitive result. The music, the marching, the show, the commitment, and the friendships will all outlast any trophy. While we are disappointed that we do not get to continue our journey to the State Marching Contest, it is our hope that you will remember the feeling that you had when you walked off the field on Saturday night. You knew how it felt to be a winner. Thank you for believing in yourselves, each other, the show and the staff.

We would also like to thank all of the parents who are so supportive of the Mighty Hawk Band. Many of you give hours of your time through volunteer work, many of you give extra financial support, and you all show your support through your child. We appreciate the band family and know that we would not be successful without the combined efforts of all of you. Thank you for sharing your time, talents, money and child.

And here is the best news of all; the year is only 1/3 through. We have more to accomplish this year! We expect great things from our students during concert season and are looking forward to performing some great music for you. We believe our students will excel in the All Region-Area-State competition as well as the Solo & Ensemble contest. We are also excited about upcoming concerts for the Percussion Ensembles and the Jazz Band. The Colorguard will soon transition into Winterguard season and we are expecting great things from them next spring. There is much to look forward to this year.

Schedule for this week:
