

BAND NEWS 10-21

I apologize for the delay in getting you the weekly Sunday band news. Here is some important information for you.

- **A very special congratulation** to the Mighty Hawk Band for a **SUPERIOR** performance at the **Bands of America Super Regional Contest at the Edward Jones Dome in St. Louis, MO** this past weekend. We are so proud of the accomplishments and the improvement the band continues to make on a daily basis. The Mighty Hawk Band won the “Outstanding Music” caption in Class 3A and placed 2nd overall in class 3A prelims. BHS was also selected as one of the top 14 finalist bands during this two day prestigious contest. A special conclusion to the evening happened as the band members experienced their first Bands of America Retreat on the field with all the finalist bands. We are proud to report that the band placed 10th overall and came home with a total of 4 trophies. This trip would not have been possible without the help and support of many parents and our amazing students. We are extremely proud of the professionalism and character that the students displayed throughout the trip.
