

BAND NEWS 11-1

A **celebration of the Senior Class** will take place at this week's game during the half time festivities. We are thankful to all of our seniors for their service and dedication to the Birdville Band program. Please show your appreciation to them throughout the week as we honor them. They have much more to give throughout the remaining months of their senior year and I am confident that they will leave a legacy for those who follow them.

Our final home game will be this **Thursday night at 7:00 PM** against Aledo HS. We will have one practice this week to coordinate the senior tribute and review the spirit show. Practice will be held on Tuesday from 4:00 to 5:15 PM.

Thanks to the leadership team for planning a great **Halloween Party** this past Saturday. A great time was had by all and the creative costumes were a special treat.

Now is the time for **individual practice and development**. The All Region tryouts will be held the 2nd week of December and auditions for the 2nd semester concert bands will be held December 16-18. Percussion concert band tryouts will be held the week following the Thanksgiving break. Check the website for additional information regarding both of these tryouts.

Mark your calendars for the next important **PARENT MEETING** on Monday, November 9th at 7:00 PM. Information will be provided on the following topics: Tournament of Roses Parade, plans for the 2010 marching season, plans for this year's concert season, concert uniform orders, 2nd semester calendar, fundraising opportunities, and budget updates. The 5th installment of \$100.00 is due at this time. Please check your account on CHARMS to review your balance.
